# International survey on inflation expectations

Thank you very much for participating in this survey, which is expected to take about 8-10 minutes. This survey is designed to gather your views on economic issues. We are interested in **your opinion**, so there is no right or wrong answer. Even if you are unsure, please answer to the best of your knowledge. We would be grateful if you could complete the survey in a single session without distractions. We highly value your time and attention.

---

*Screening questions*

---

Q1 What is your age?
[…] [*Integers from 0 to unbounded*] KEEP ONLY PEOPLE BETWEEN 18 AND 70

Q2 What is your gender?

1 Male
2 Female
3 Prefer not to answer

Q3 In questionnaires like ours, sometimes there are participants who do not carefully read the questions and just quickly click through the survey. This means that there are many random answers which compromise the results of research studies. To show that you read our questions carefully, please choose that you are **"very interested"** in **sports** and **"not interested at all"** in **music**. [matrix structure]

1 How interested are you in sports?
2 How interested are you in music?

1 Not interested at all
2 Not interested
3 Interested
4 Very Interested

KEEP ONLY PEOPLE THAT ANSWER: "very interested" IN SPORTS AND "not interested at all" IN MUSIC

---

*Short-run inflation perceptions and expectations (fixed module)*

---

We would like to ask you about the rate of inflation in your country. As you may know, inflation is the percentage change in overall prices in the economy. For example, if a price increases from 10 to 11, the rate of inflation is (11-10)/10 = 10%. If a price decreases from 10 to 9, the rate of inflation is (9-10)/10 = -10%. If a price does not change, the rate of inflation is 0%.

Q4 Over the **last** 12 months, what do you believe the rate of inflation has been in your country?

[…] % [*From -100 to unbounded. Up to 1 decimal point*]

Q5 Now think about the possible rate of inflation in your country over the **next 12 months**. What do you expect could be the lowest, highest, and most likely value of inflation?

| | | |
|---|---|---|
| Lowest | […]% | |
| Highest | […]% | [Error message: "Value must be higher than lowest value"] |
| Most likely | […]% | [Error message: "Value must be between lowest and highest value"] |

Q6 Thinking about your previous responses about the rate of inflation, were there any specific prices of goods that you had in mind when responding? Please select all that apply [*randomize*]

1 Food / groceries
2 Rent
3 Gasoline / other energy prices
4 Clothing
5 Electronics / appliances
6 Education
7 Other
8 No specific prices

---

*Other expectations (fixed module)*

---

[*In Q7, Q8 and Q9, numerical field from 0 to unbounded, allow for 1 decimal*]

Q7 Over the **next 12 months**, do you expect your **household income** to increase, decrease, or stay about the same?

1 Increase by about […] %
2 Decrease by about […] %
3 Stay about the same as today

Q8 Over the **next 12 months**, do you expect the **unemployment rate** in your country to increase, decrease, or stay about the same relative to the current level?

1 Increase by […] percentage points
2 Decrease by […] percentage points
3 Stay about the same as today

Q9 Over the **next 12 months**, do you expect **interest rates** in your country to increase, decrease, or stay about the same relative to current levels?

1 Increase by […] percentage points
2 Decrease by […] percentage points
3 Stay about the same as today

---

*Institutional trust (fixed module)*

---

Q10 How much trust do you have in each of the following institutions to act in your best interest? [*randomize, matrix structure*]

1 Your country's central bank [or "The central bank of the Euro Area"]
2 Your country's government
3 Your country's banks and financial institutions

1 Not at all
2 Not too much
3 Some
4 A lot

---

*Knowledge about stablecoins (flexible module)*

---

Q11 In this part of the survey, we would like to learn your views about stablecoins. Do you know what stablecoins are? Select one answer. [Randomize only between a and e. Leave f at the end.]

a. A type of cryptocurrency that aims to keep a stable value against a traditional currency
b. Bitcoins
c. A new airline reward program that allows points to be converted to cash
d. Credit card rewards that never expire
e. A currency that only banks can use
f. I am not sure

Q12 How are your savings (including retirement accounts) allocated across the following categories? Please note that the sum should add up to 100%.

g. Cash, bank deposits and money market accounts [XXX]%
h. Stocks and bonds [XXX]%
i. Gold and other precious metals [XXX]%
j. Stablecoins [XXX]%

k. Bitcoins and/or other crypto assets [XXX]%
l. Other [XXX]%
m. Total (should sum up to 100%) [XXX]%

[Info treatment for ALL participants]

Stablecoins are a type of cryptocurrency issued by private entities which aim to keep a fixed value against a reference currency, often the US dollar. In other words, 1 stablecoin should be in principle exchangeable for one dollar.

Q13 What is your best guess of why people hold stablecoins? Select up to 4 options. [Randomize]

a. To make cheaper and/or faster domestic payments
b. To make cheaper and/or faster international payments
c. To send money to relatives abroad
d. To hide money from tax authorities
e. To circumvent domestic or cross-border government regulations
f. To ensure greater privacy
g. To buy and sell other crypto assets (for example, Bitcoins)
h. To invest in a foreign currency (for example, US dollars)

Q14 Do you think that stablecoins may lose value against their reference currency?

a. Yes
b. No

Q15 How risky do you perceive the following assets to be [Use a scale from 1 = 'Not risky at all' to 5 = 'Very risky'] [randomize]

a. Stablecoins
b. Bitcoins and/or other crypto assets
c. Stocks
d. Government bonds
e. Gold and other precious metals
f. Bank deposits

[Info treatment to be provided to 50% of the participants in each country]

We would like to provide you with brief additional information about stablecoins: [randomize the 3 bullet points below]

- Stablecoins promise to make domestic and international **payments faster and cheaper** via the internet, without using banks.

- Stablecoins can grant greater **anonymity** relative to bank deposits and other means of payments, as they cannot be easily traced by tax authorities, law enforcement agencies, or other government agencies.
- There are concerns that in certain situations stablecoins **may lose value** against their reference currency. For example, one US dollar stablecoin may become worth less than one US dollar.

Q16 Imagine that you receive a one-time gift of [country-specific value] to save or invest in financial assets. Please indicate, in percentages, how you would allocate this amount across these asset categories.

| | | |
|---|---|---|
| a. | Cash, bank deposits and money market accounts | [XXX]% |
| b. | Stocks and bonds | [XXX]% |
| c. | Gold and other precious metals | [XXX]% |
| d. | Stablecoins | [XXX]% |
| e. | Bitcoins and/or other crypto assets | [XXX]% |
| f. | Other | [XXX]% |
| | Total (should sum up to 100%) | [XXX]% |

Q17 What should governments do with respect to stablecoins?

a. [5 point slide: “Prohibit” left, “Regulate” middle, “Encourage” right]
b. I don’t know

---

*Knowledge about AI and its economic impacts (flexible module)*

---

Q18 We would like to seek your views on Artificial Intelligence (AI). How do think that AI will compare to human intelligence in 10 years from now:

a. AI will be: [5 point slide: well inferior, somewhat inferior, similar, somewhat superior, well superior]

Q19 We would like to understand how you think AI will impact **your job**. To what extent do you agree with the following statements?

a. AI will facilitate my work [5 point slide, from “not agree at all” to “fully agree”]
b. AI will threaten my work [5 point slide, from “not agree at all” to “fully agree”]
c. I am not employed

Q20 Now we would like to understand your perceptions of how AI can impact the **broader economy** in your country. How do you think AI will impact the following?

a. Economic growth
b. Employment
c. Inflation

[5 point slide, “Decrease” on the left, “no impact” in the middle, “increase” on the right]

---

*Personal characteristics (fixed module)*

---

### *Financial literacy*

Q21 In your opinion, is this statement true or false:

*If the money in your savings account grows at an annual rate of 5%, then you will be able to buy more with this money in the future than you are able to buy today regardless of the rate of inflation.*

1 True
2 False
3 Don’t know/No opinion

### *Behavior*

Q22 How often do you do the following activities in **a typical month**?

| | | | |
|---|---|---|---|
| 1 | Shop for groceries | […] | [*Integer from 0 to 100*] |
| 2 | Buy gasoline | […] | [*Integer from 0 to 100*] |

Q23 How well, if at all, do the following sentences describe you as a person? [*randomize, matrix structure*]

1 I am willing to take risks regarding financial matters
2 I am good at math
3 I am very impatient

1 Not at all well
2 Not too well
3 Somewhat well
4 Very well
5 Don’t know/No opinion

### *Economic situation*

Q24 What is your household **annual income before taxes**?

[…] name of local currency [*Integers from 0 to unbounded*]

Q25 Which of the following best characterizes your household?

1 Own my house/apartment without a mortgage/loan
2 Own my house/apartment and have a fixed-rate mortgage/loan
3 Own my house/apartment and have a variable-rate mortgage/loan
4 Rent my house/apartment
5 Other
6 Don't know/ Prefer not to answer

*Employment, household size, and education*

Q26 How would you describe your present employment situation?

1 Job in the private sector
2 Job in government
3 Self-employed
4 Not working and not looking for work
5 Student
6 Retired
7 Unemployed, looking for work
8 Prefer not to answer

[Only if 1, 2, or 3]

Q26a Which sector do you work in?

a. Information & Communication Technology
b. Finance & Insurance
c. Healthcare & Social Services
d. Education, Research and Scientific activities
e. Manufacturing & Industrial Production
f. Trade & Commerce
g. Hospitality, Tourism & Food Services
h. Transportation & Logistics
i. Professional Services in Law, Consulting, Architecture, Design
j. Agriculture, Forestry, Mining, Fishing
k. Administrative Activities, Public Administration & Defense
l. Arts, Entertainment, Media, Sport
m. Construction & Real Estate Activities
n. Other. please specify: _____

Q26b Please specify your current job position: _____

Q27 Please tell us how many of people usually live in your primary residence other than yourself (including those who are temporarily away).

1 1 person
2 2 people
3 3 people

4 4 people
5 5 or more people
6 None

Q28 What is the highest level of education you have achieved?

1 Less than high school
2 High school
3 Some college but no degree (including academic, vocational, or occupational programs)
4 Undergraduate degree (for example: BA, BS)
5 Graduate or post-graduate degree (for example: MA, MS, PhD, MD, JD)

*[If answered 4 or 5]*
Do you have any degrees in business, finance, or economics?
1 Yes
2 No

*Political leaning*

Q29 Is the party that best aligns with your political views currently part of the government in your home country?

1 Yes
2 No
3 Prefer not to answer
